

# FIRST MINING GOLD

<b>Job Category:</b>	<b>Geotech and Exploration Assistant</b>
<b>Employment Type:</b>	Contract (Winter 2023, ~3 months)
<b>Location:</b>	Springpole, Northwestern Ontario
<b>Application Deadline:</b>	January 16 <sup>th</sup> , 2023

First Mining Gold Corp. (First Mining) is guided by its values of safety, integrity, responsibility, and collaboration. We develop and operate our projects safely, reliably and with care for our impact on the environment. With our presence in Ontario, Newfoundland and Québec, our people play an active role in building strong communities.

We are proud of how our hard work and our commitment to sustainability sets us apart and benefits society and communities where we operate, every day. We are looking for a new team member who shares our values and is ready to take on an exciting opportunity.

## **The Opportunity**

We are seeking to hire a contract Geotechnician/Exploration assistant who will help support exploration, development, and environmental study activities for First Mining Gold at its exploration project. This role will be based in a dynamic team setting, reporting to, and working closely with the Geology team, you will be integral in the daily support of site activities focused around the winter work programs which will offer development and training opportunities related to exploration programs.

## **What you will do**

As Geotechnician/Exploration assistant, your primary duties and responsibilities will be as follows:

- Support activities for winter program readiness such as ice thickness monitoring, flooding of ice pads, permitted drilling location inspections as well as maintaining and supporting other ice-based activities that are focused around safe travelling
- Processing and cutting drill core for exploration programs
- Assisting with measuring, photography, and geotechnical logging of drill core
- Use of mobile applications for field data collection
- Safe field practices in remote areas and working around snowmobiles, ATV's, and helicopters.
- Assist in taking environmental readings and running of monitoring tools.
- Moving and assisting geologic team in moving/handling core boxes

- Perform other related work as required; and such other duties and services that would be reasonably expected to be performed by a person employed by a public mineral exploration and development company in a similar position to that of the employee.

### **Preferred Qualifications and Education**

- Ability to work independently as well as collaboratively in a multi-disciplinary, cross-cultural team.
- Proficiency in oral and written English communication and attention to detail.
- Health and Safety focused mindset to work safely and contribute to safe practices of the First Mining Gold team.
- Willingness to travel (FIFO) and work within remote site settings as this position's rotation will be determined by core seasonal activities.
- Comfortable working in a dynamic work environment with a willingness to work outdoors and able to operate vehicles, at our operations, in various weather conditions and terrain
- Must be legally entitled to work in Canada.

### **About First Mining Gold Corp.**

First Mining is a Canadian gold developer focused on the development and permitting of the Springpole Gold Project in northwestern Ontario. Springpole is one of the largest undeveloped gold projects in Canada. The results of a positive Pre-Feasibility Study for the Springpole Gold Project were announced by First Mining in January 2021, and the environmental assessment process for the project is on-going. The Company also holds a large equity position in Treasury Metals Inc. who are advancing the Goliath-Goldlund gold projects in Ontario towards construction. First Mining's portfolio of gold projects in eastern Canada also includes the Pickle Crow (being advanced in partnership with Auteco Minerals Ltd.), Cameron, Hope Brook, Duparquet, Duquesne and Pitt gold projects.

First Mining was created in 2015 by Mr. Keith Neumeyer, founding President and CEO of First Majestic Silver Corp.
